

HEAVY DUTY FLOOR VARNISH

Polyvine's ultra-tough, crystal-clear protection that's perfect for interior floors.

This is an ultra-hard, high-quality coating with a satin or dead flat finish that dries to a crystal clear film. Our Heavy Duty Floor Varnish has extremely good sanding properties which leads to a superior, high-end finish.

It's been specially formulated for floors and areas of high wear, giving ultra-tough protection against scuffs and scrapes in high traffic areas.

Our Heavy Duty varnish range brings the highest protection single packs ever developed.

ADDITIONAL INFORMATION

Always apply to a test area before starting work. Appearance may vary according to the colour, type of surface, and the number of coats.

Do not apply over uncured oil paints.

Dilute 10% with water to prime porous surfaces.

On wooden floors, light sanding in between coats may be necessary.

Do not shake the product.
